

# Broker Advantages

The following is a list of services Germani Insurance Services provides.

Service	Description
<b>Insurance Market Access</b>	We provide access to virtually all insurance and administration markets.
<b>National Affiliations</b>	In addition to our own talented professionals and specialized value-added services, we have a wealth of resources available to us through several national affiliations.
<b>Strategic Planning</b>	We will develop a customized strategic plan for you that defines objectives and outlines the actions needed to fulfill those objectives. Our services ensure an organized, complete approach to fulfilling your risk management needs.
<b>Five-Star Service</b>	We pride ourselves on the level of knowledge and service we bring to our clients. All of our clients are assigned a team of specialists dedicated to serving their needs. Each client accesses our team through a single point of contact, making working with us seamless and easy.
<b>Experience</b>	We have a proven track record of dedication and commitment to excellence in our service to the business community.
<b>Technology</b>	We use leading-edge technology to provide our customers with the latest data analysis and compliance tools.
<b>Data Analysis</b>	ModMaster® is our web-based software that computes, analyzes and presents the workers compensation experience rating modification factor, which gives us an opportunity to focus our activities in areas that will reduce your costs.
<b>Client Portal</b>	All of our clients receive access to a personalized website. The site is devoted to helping you with cost containment and safety programs, OSHA compliance, claims reporting, employee communication and more!
<b>OSHA Compliance</b>	All of our P&C clients have access to an online tool used to create accurate OSHA logs and reports on demand. We also provide timely and relevant legislative updates when changes are made at the federal level.
<b>Online Services</b>	Germani Insurance Services provides 24/7 reporting services. Reporting claims, adding or deleting drivers and vehicles, or requesting a certificate of insurance is as easy as sending an e-mail.
<b>Custom Communication</b>	With an extensive library of cost containment and loss control tools, we provide a broad range of communications, including ready-to-use employee newsletters, posters and payroll stuffers.
<b>Resources</b>	From asbestos to welding safety to workers' compensation statutes, our client portal Resource links offer you quick access to a wide variety of industry-related references.
<b>Client Portal Community</b>	When partnering with us, you gain access to professionals from all over the country through the Community section of your client portal. An answer to a problem you have is just an e-mail away. As an example, one client writes, "Has anyone participated in OSHA's Voluntary Protection Program? Can you tell me about your experience?" This question was answered quickly, saving time and resources.
